Parents' Agreement

We agree to hold the Pulaski County Home Education Activities Association and it's agents harmless of any liability from injuries or loss of property sustained by our child while attending or traveling to or from any tryout, practice, or game. We give consent for our child to receive medical treatment by a registered nurse or licensed physician when deemed necessary by the coaching staff.

I affirm that the named child is covered by an insurance policy covering illness and injury. I accept all financial responsibilities concerning any medical emergencies. I also accept responsibility to have my child picked up immediately in the event of illness or accident.

We understand that the uniforms used for flag football, volleyball, and junior and senior high basketball are the property of PCHEEA. Uniform fees are assessed for buying new and replacement uniforms and to cover uniform depreciation expense. For upper school uniforms not turned in or damaged due to neglect, a fine equaling 120% of the uniform cost will be assessed, less the \$50 deposit each player will have already paid.

We will ensure my child is home educated, that **we have filed the State mandated "Letter of Intent to Homeschool" form with the local school district**, and that he/she is maintaining a satisfactory academic level. If my child does not maintain a satisfactory academic level, I will notify the coach or athletic director.
